

Thank you for praying for
PASTOR GEORGE & CHERYL COPE

Dear Prayer Partners,

Cheryl and I are blessed by the privilege and challenged by the responsibility to be your pastor/shepherds. Our greatest need is to have praying people covering us daily. Knowing how to pray is critical if you are going to be effective, so we've provided you with daily prayer direction. Thank you for standing in the gap for us! Whatever is accomplished through our ministry, you will share in the reward.

*We are grateful for you,
Pastor George & Cheryl Cope*

SUNDAY
OUR FIRST LOVE

Above all else, pray that Jesus would be first in our lives. Pray we will not allow the busyness of life, family or ministry distract us from the priorities of prayer and the Word. Pray we will keep our hearts, minds, bodies and motives pure. Pray we will always be open and obedient to the Holy Spirit's conviction, direction or redirection in our lives.

MONDAY
OUR MARRIAGE

We are still in love after almost four decades of marriage! Pray for the Lord's continued favor and blessing and for spiritual protection against any external influence that would seek to compete with or divide us. Pray we will continue to be united in heart, mind, body and soul.

TUESDAY **OUR FAMILY**

Pray for our daughter and her husband, Jessyca and Greg, and our three grandchildren: Izzabella, Luke and Lily. Pray they will continue to love and follow Jesus. Pray for the Lord's direction and protection for them in their personal walks and their call to ministry. Pray we will live out and leave a legacy of faith and faithfulness to them and all future generations of our family.

WEDNESDAY **OUR HEALTH**

Pray for good health, strength and stamina. Pray we will have well ordered, healthy and balanced lifestyles and for peace and protection against the effects of stress. Believe with us that Cheryl will continue to walk in health and healing from cancer. Pray for wisdom concerning her cancer medication.

THURSDAY **OUR MINISTRY**

Because we are 'one flesh' and called into ministry as a couple, pray for continued unity, vision and inclusion in ministering together as a couple. Pray also we will extend room to one another to flow and operate in our individual gifts and ministry leadership responsibilities. Join us in the declaration we say together as a couple when we pray for the future of Calvary: "Lord, you said you would build this church, and we're holding you to it!"

FRIDAY **HIS ROLE**

As a pastor, pray I will effectively preach and teach the Word and be used in a greater way in the gifts of the Spirit. As a leader, pray I will be filled with grace and wisdom to lead Calvary into God's destiny for us. Pray I will represent Christ and Calvary well in our community, and that God would increase my burden and compassion for lost souls.

SATURDAY **HER ROLE**

Pray I will continue to support, encourage and give freedom to my husband to be all God has anointed and called him to be as Lead Pastor of this House. As Women's Ministries Director, pray I will effectively lead and communicate with wisdom, vision and clarity. Pray God will fulfill, in His time and way, the vision statement He has given me for every woman at Calvary to be connected to God, to one another, and to ministry. As a teacher, pray that I would continue to diligently prepare and present the Word.
